license info: The information contained on this page is NOT the official license. It is a human-readable summary of the Legal Code (the full commercial license) and has no legal value itself. The full commercial license can be found at <http://www.longtailvideo.com/players/order/license>

You are free to:

- **Make Copies of the JW Player for your own use.**
- **Create Adaptations of the JW Player for your own use.**
- **Publicly Deploy the JW Player on one domain.**

Under the following conditions:

You may NOT make any modifications to the source code nor create any plug-ins that enable any type of advertisement to be shown in, on or around the JW Player.

You may NOT deploy the player on domains that have more than 5,000,000 video streams per month in aggregate.

Any of the above conditions can be waived if you get permission from an officer of LongTail Ad Solutions, Inc. (a.k.a. "LongTail"). The License can be terminated at any time by LongTail if you violate it, if LongTail believes your business is harmful to LongTail, or if you become insolvent or bankrupt.
